

Please join the Western Montana Military Officers Association
and the Missoula community, Saturday, September 22nd

as we welcome

Commander Michael Delaney

and

Electronics Technician Second Class Evan Glenn from Bozeman

as they share information about the future of the USS MONTANA, a new Virginia Class
fast attack submarine that will bear our state's name.

Commander Delaney will discuss updates on the construction and crew of the new
USS MONTANA.

Please plan to join us for this exciting event.
